

## Welcome to the 21-22 CCDA Year

Whether you're a newer CCDA member, or you've been with our organization for years, it is my honor to formally welcome you to the 2021-2022 CCDA year as I begin my term as President. This past weekend, our 21-22 CCDA Board met for our annual retreat to plan the array of events and services we plan to offer our members this year. We strive to incorporate member input to inform our offerings, and with the creation of our new board role, Assessments & Data Chair, we will remain attuned to members' interest and safety needs with regard to in-person events, while also continuing to offer virtual/remote opportunities.
